

# WHITEPAPER - \$PYRO

\$PYRO is the foundational token of the Rogues of Flame universe - an upcoming pixel art play-to-earn game that blends action, strategy, and NFT creature evolution.

This token is a unique opportunity to join the project before its official launch. It all starts here.

## UTILITY

- Used to evolve creatures in the Rogues of Flame game
- Reward token for monthly tournaments
- Grants early access to the closed beta and NFT drops
- In-game currency for competitive 1v1 mode

## TOKENOMICS

- 100% launched via Pump.fun
- No team wallet / No vesting
- Liquidity directly managed on Pump.fun
- Limited supply / Zero inflation

## VISION

\$PYRO is more than just a meme: it's a spark.

The spark of a burning world, where early holders could benefit from the game's rise.

Join the fire before it becomes unstoppable.

## HOW TO JOIN

- Buy \$PYRO on Pump.fun
- Follow the community on Twitter
- Hold it until the official game launch

The earlier you join, the brighter you will burn.
